Toon Boom's Entire Product Line Roars Forwards on Snow Leopard

Montreal (October 13, 2009) – Emmy Award-winning Toon Boom Animation Inc. today announced that its entire line of products is compatible with Snow Leopard, Apple's latest operating system for Mac. All software for kids, home users and professionals were thoroughly tested and proved to be running smoothly on the new operating system. Only Toon Boom Studio and its plug-in required a new build which is available to all Studio 5 customers.

"As always, Toon Boom is fully committed to the creative Mac community and we pride ourselves to make all our offerings compatible with the latest Apple's operating system" shared Joan Vogelesang, President and Chief Executive Officer at Toon Boom.

About Toon Boom Animation Inc.
